alfahimishmum@gmail.com

## Education

Govt. Muslim High  
School, Chittagong  
SSC GPA 5.00  
Govt. City College, Chittagong  
HSC GPA 5.00  
International Islamic University,  
Chittagong  
BSc. In CSE  
CGPA 3.599

## Key Skills

Researching  
Project Management  
Sports  
Communication  
Problem-solving

## Objective

To contribute effectively to the research community by supporting the organization, coordination, and dissemination of research activities, while utilizing my technical knowledge and skills in computer science to foster an environment of innovation and collaboration.

## Experience

ACM/ICCA INTERNATIONAL CONFERENCE 24

**Co-Author** | AIUB – October 17

NASA SPACEAPP CHALLENGE 24

**Communication & Outreach Coordinator** | October 5

As a motivated CSE student, I aim to contribute to the research community as Research Secretary by effectively organizing and supporting research activities. My experience includes participating in the ACM/ICPC Conference, where I gained insight into cutting-edge algorithms and collaboration, and the NASA Space Apps Challenge, where I applied computer science skills to real-world problems. These experiences have honed my organizational, teamwork, and problem-solving abilities, which I plan to utilize in fostering an innovative and collaborative research environment.

## Communication

Implemented new procedures and technologies that improved efficiency and streamlined operations.

## Leadership

Lead every projects which were done in my previous Lab courses.
